

CAMP GATEWAYS

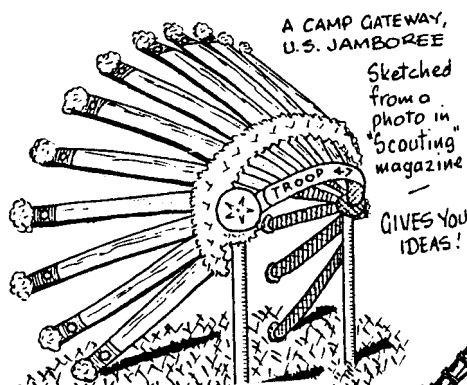

Erect Patrol Gateways in mood of adopted countries.

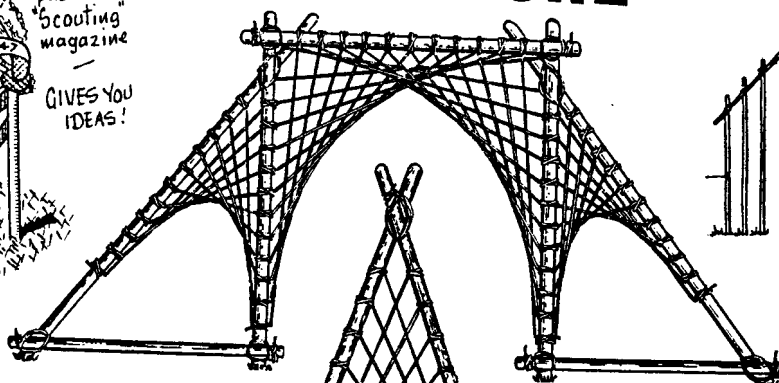

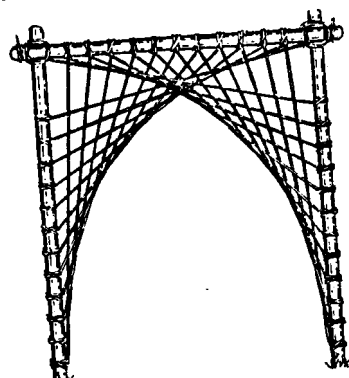

USE THESE AS "IDEA-STARTERS" FOR DESIGNING YOUR OWN!

CAMP ISN'T CAMP WITHOUT A SMART GATEWAY, WELL DESIGNED, PROPERLY LASHED. TAKE YOUR DESIGN THEME FROM LOCAL LORE. THINK IT OUT BEFORE YOU GO TO CAMP - YOU WILL PROBABLY NEED TO FASHION A FEW SIMPLE ACCESSORIES BEFORE YOU LEAVE.

SIOUX STYLE CAMP GATEWAY: Make it of poles and broad rough fencing lathes, suitably painted. Or make foam-board "feathers", supported underneath by light timber.

SISAL SCULPTURE

Also useful for Patrol Den decoration, and Scouting exhibitions
